Our contract requires that all animals adopted from MAFIA be taken to a licensed Veterinarian within 3 business days of adoption.

Are you able to fulfill this requirement? YES NO

We often require a follow up visit to your home or follow up phone call to check on the animal and give advice when necessary.

Would you agree to this? YES NO

If the animal you adopt is a "special needs" animal, or *becomes* a "special needs" animal, would you agree to give the vet care, supplements, food, etc., necessary for this animal to live a healthy life? YES NO

Do you agree to keep this animal on monthly heartworm and flea preventative for the *life* of this animal? YES NO

Why do you think that MAFIA should choose you to adopt this animal?

(Take as much space as you need. Use the back for additional space.)

I attest that all information given is correct. I understand that this is only an application to aid in the interview process and does not mean that I am approved to adopt a pet from MAFIA. I understand that MAFIA reserves the right to refuse adoption of a pet to me.
